

# Teaching solid mechanics to artificial intelligence

*Tuesday, 14 September 2021 19:00 (2 hours)*

I will present our latest progress in using machine learning for solving non-linear solid mechanics. The presentation will be based on our published work here: <https://www.nature.com/articles/s41524-021-00571-z>

**Primary authors:** MIANROODI, Jaber (Max-Planck-Institut für Eisenforschung GmbH); H. SIBONI, Nima (Max-Planck-Institut für Eisenforschung GmbH); RAABE, Dierk (Max-Planck-Institut für Eisenforschung GmbH)

**Presenter:** MIANROODI, Jaber (Max-Planck-Institut für Eisenforschung GmbH)

**Session Classification:** Poster Session: Machine Learning -Theory & Applications / Open Data
